To Whom It May Concern,

Please consider this a formal letter of reference on behalf of Badger Roofing Company of Prescott Valley, Arizona.

I am currently President of Yavapai County Contractors Association and we recently presented Sally and Roger Barton, owners of Badger, our annual "Above and Beyond" award for their community service on behalf of contractors and the citizens of our area. We are very proud to have Badger Roofing as a member and representative of our association.

I personally hired Badger Roofing to install some very complicated roofing products on my personal new constructed home and was extremely pleased with their quality, customer service and professional ethics.

Badger Roofing is a fine example of the mission and values of Better Business Bureau and would be an excellent choice for any award presented by BBB.

If you have any questions, please feel free to contact me.

Sincerely,

Dee Spitler
General Manager
