Roger,

In recognition of the fact that your company has held the CertainTeed SELECT ShingleMaster credential for ten or more years, please accept the enclosed items which acknowledge your exceptional status as a Tenured Member. Your company is one of very few in the U.S. and Canada that achieved this distinction so you can be proud that you are a member of an exclusive group.

Operating a business successfully year after year is no easy feat, therefore your Tenured Member title is a testament to your company's accomplishments and longevity. Running a contracting business in the roofing trade is even more challenging, which sadly is why countless roofing contractors do not survive more than ten years.

Clearly, your company stands above the average which signifies you have a well-managed, customer-focused organization. Consumers in your marketplace are fortunate to have a company of your caliber to rely upon. We too appreciate the long-term business relationship that we have enjoyed with your company and look forward to maintaining a profitable affiliation in the future.

To help you celebrate this honor we have enclosed a custom-made Certificate, Brass Plate, and Wind Shirt that you can use to promote your SELECT ShingleMaster Tenured Membership. In addition, we will send a personalized press release to the news organizations in your local area that touts your company and its prestigious designation as a Tenured Member.

If you have any questions, please contact me or your local Territory Manager. Thank you for your continued support of CertainTeed Roofing. Best wishes to you and your company for a long prosperous future.

Be Safe, Be Different and Be Profitable!

Sincerely,

Jay Butch
